Problem Oriented Policing

POP PROJECT:

Team A began a POP Project in the month of December regarding a business conducting fraudulent appliance sales. POP project is still on-going

Special Assignments

Several day shift personnel participated in combined traffic details with the Traffic Safety Unit during the year in order to enforce traffic laws and provide a safe environment for the motoring public. These details included the following enforcement actions: distracted driving, speeding, school zones, DUI enforcement, improper lane usage, improper stopping on roadway, registration violations and overweight truck violations.

Status of Goals for 2017

1. Assign shift officers from both Team A and B to conduct at least four traffic details throughout the year. Details may include distracted driving, speeding violations, school zones, etc.
Status: This goal has been completed.
2. Assign shift officers of Team A and B to implement a POP project during the year.
Status: This goal has been completed.
3. Assign shift officers from both Team A and B to conduct a minimum of six parking violation details throughout the year as manpower allows.
Status: This goal has been completed.
